

PRE-EMPLOYMENT URINALYSIS NOTIFICATION

The Federal Motor Carrier Safety Regulations §382.301 pre-employment testing requirements, apply to driver-applicants of this company.

§382.301 - Pre-employment testing requirements

- (a) A motor carrier shall require a driver-applicant who the motor carrier intends to hire or use to be tested for the use of controlled substances as a pre-qualification condition.
- (b) A driver-applicant shall submit to controlled substance testing as a pre-qualification condition.
- (c) Prior to collection of urine sample under §382.601 of this subpart. A driver applicant shall be notified that the sample will be tested for the presence of controlled substance.

As a condition of my employment, I agree to the urine sample collection and controlled substance testing.

I understand a positive test for controlled substance based on the Urinalysis Test will medically disqualify me from the operation of a commercial motor vehicle for this company.

The Medical Review Officer will maintain the results of the Urinalysis Test. Negative and positive test results will be reported to the company.

My written authorization is required for the Urinalysis Test results to be given to other parties.

I have read and understand the above conditions for the Pre-employment Urinalysis Notification.
